

EPICS	As a pilot I want to drive a space ship.	While avoiding and shooting down asteroids.	As well as avoiding and shooting down UFO's	Through space while keeping track of the score
Sprint 1	I want to have a space ship that looks like a TRIANGLE.	I want obstacles that look like asteroids.	I want to have UFO obstacles as well.	
Sprint 2	I want to be able to move my space ship around the map.	I want moving asteroids. I want asteroids that pass through each other.	I want to have a UFO that moves randomly through space.	I want to keep track of the score. I want to increase difficulty over time.
Sprint 3	I want to be able to shoot. I want to be able to respawn a certain number of times.	I want to be able to break apart into smaller pieces when shot.	I want my UFO's to shoot in random directions.
